

EMPLOYER'S SPECIAL VOLUNTEER AGREEMENT

This agreement is entered into between _____,
National Institutes of Health, Bethesda, Maryland and _____
(Name of Organization)
for the purpose of clarifying the arrangement for _____
(Name of Volunteer)
who is being assigned to _____. It is understood
that he/she will be classified by NIH as a special volunteer.

It is further understood that _____ agrees:
(Name of Organization)

- (a) to relinquish supervision over those activities and services performed by such special volunteers at the National Institutes of Health,
- (b) that, while on their assignments, volunteers will perform services for NIH rather than their employing organizations,
- (c) to waive any and all claims for reimbursement from the Government for volunteer services provided by their employee,
- (d) that volunteers will be expected to adhere to the provisions of the NIH Special Volunteer Agreement,
- (e) in the event of an injury to the volunteer while performing services at NIH,
_____ will provide compensation
(Name of Organization)
to the volunteer, to remove this as a source of potential misunderstanding and risk to the Volunteer.
